

**MINISTRY OF PETROLEUM AND MINERAL RESOURCES**  
**Qualification questionnaire**

---

**HEALTH SAFETY SECURITY & ENVIRONMENT (HSSE)**

Question number	Data to be submitted	Submitted YES or NO	Ministry USE
-----------------	----------------------	---------------------	--------------

C	Health Safety & Environment (HSSE)		
C 1	Provide in detail bidder's (Company's) Health, Safety, & Environment Security policy Management Systems, including evidence of any internationally recognized accreditation (e.g. ISO 14001).		
C 2	Provide copy of two Contract HSE plans actually used on a recent / current Contract (covering services for which you are seeking pre-qualification), together with the index and authorization pages of your HSE Manual? There is no requirement to provide copies of procedures and manuals referenced in the HSE plan.		
C 3	Provide HSE record for last five years e.g.: oil spills, Total Recordable Case Frequency (TRCF), Lost Time Injury Free (LTIF), High Risk Incident Frequency (HRIF).
